**Re: In re 650 Fifth Avenue and Related Properties,  
08 Civ. 10934 (KBF)**

Dear Judge Forrest:

We respectfully submit this letter on behalf of the Alavi Foundation to request an extension of the page limits for a memorandum of law that the Foundation intends to submit in support of a motion to suppress evidence that the Government seized from the Foundation's offices on December 19, 2008. The Foundation's motion asserts multiple grounds for suppression of various categories of evidence, and the memorandum will also address, as it must, all relevant legal doctrines and authority. Because these issues are analytically complex and require close reading of the Government's extensive warrant application, we respectfully request a 15-page extension to present them properly and comprehensively. The Government consents to this request.

Respectfully submitted,
